Re: 2001 Income Limits

Notice: FSP-01-12

Enclosed are income limits released by the U.S. Department of Housing and Urban Development on May 8, 2001. These income limits are effective immediately for the CDBG and HOME programs funded by the Indiana Housing Finance Authority.

Family Size Adjustments:

By statute, family size adjustments are required to provide higher income limits for larger families and lower income limits for smaller families. The factors used are as follows:

Number of Persons in Family and Percentage of Adjustments

1	2	3	4	5	6	7	8
70%	80%	90%	Base	108%	116%	124%	132%

Income limits for families with more than eight persons are not included in the printed lists because of space limitations. For each person in excess of eight, 8% of the four-person base should be added to the eight-person income limit. For example, the nine-person limit equals 140% (132% + 8%) of the relevant four-person income limit. All income limits are rounded to the nearest \$50 to reduce administrative burden.
